Dinner Dedication

The *ל* of our *Beren Campus* is a time for reflection and renewal. For a half a century, תלמידים have been exposed to the rarefied air and beautiful setting of this unique מוקום תורה. It is separated from the world at large, and is occupied by exceptional תלמידי חכמים who are totally devoted to their learning and teaching. This affords תלמידים the opportunity of almost 24/7 access to their רבנים, as well as having wonderful role models of the חברי הכולל, and families who reside on Yeshiva Lane.

We recall the vision, enormous נפש, and סייעיתא דשמיא of **Rabbi Herman Naftoli Neuberger זצ"ל** that went into creating this Campus under the leadership of **צ"ל הרב יצחק הלוי רודרמן זצ"ל**.

As we celebrate this *ל*, we take note of the beautiful פקדון that Hashem gave us. The Yeshiva has devoted the last decade to renewal of its facilities. It is time to replace and expand our Food Service Facility. The Klein and Rosenberg families have made leadership commitments to this venture.

Reb Menachem Klein came to the United States in 1956 as a youngster having left Hungary during the Revolution. He learned in Telshe Cleveland, married, and settled in Los Angeles. He has shared his munificence with the מוסדות התורה ותפילה in Los Angeles and elsewhere.

Together with his first wife, Erika ע"ה, they raised a beautiful family. Three of their children, **נ"י Reb Kolev**, **נ"י Reb Reuven**, and **נ"י Reb Yehuda**, together with their son in law, **נ"י Reb Shimshon Bienstock**, are תלמידי of the Yeshiva. We are honored to be partners with their family in their development as outstanding בתים בעלי תורה who are respected in Los Angeles and in Baltimore. Out of his regard for what the Yeshiva has done for his משפחה, Reb Menachem made the initial commitment to this project that propelled us to bring this project to fruition.

David Rosenberg ע"ה, his wife **Mrs. Gusta Rosenberg** שתחי', and their sons, **נ"י Reb Shelly**, **נ"י Reb Bernie**, and **נ"י Reb Oscar**, are תלמידי הישיבה. Both Reb Shelly and Reb Oscar have sons who are תלמידי as well. We are honored to be partners with their families in their development as outstanding בתים בעלי תורה.

David Rosenberg ע"ה, and his brother **Marcus Rosenberg** ע"ה, planted the roots of the Dallas Torah Community. Their children especially, Reb Shelly and Reb Oscar are key figures in building on the roots of their parents.

Dinner Dedication

During his lifetime, **David** ע"ה and his wife **Gusta** שתחי' dedicated 405 Yeshiva Lane as an expression of their regard for the Yeshiva. We are indeed honored that Mrs. Rosenberg and her children have honored us with a leadership commitment for our Food Service facility.

As a part of the יובל of our Campus, we wish to pay special tribute to one of our colleagues who plays a major role in the building and החזקה of our Yeshiva. **Rabbi Louis Leib Hoffman** שליט"א has served the Yeshiva for more than forty years. In the early years he worked tirelessly visiting members of the greater Baltimore Community in an attempt to create new friends and supporters for the Yeshiva. Through his efforts he was not only successful in expanding support for the Yeshiva, he also touched the hearts and minds of people whom he befriended. They have become his תלמידים and have grown in their עבודת השם.

His devotion and dedicated נפש for the Yeshiva has enabled him to overcome incredible challenges to his health, and continue being productive in his עבודת הקודש. Thanks to the incredible support of his אשת חיל **Mrs. Judy Hoffman** שתחי', ליב and his success is a source of inspiration to all of us. Together, they have been blessed with a fine family of בני תורה and communal leadership.

Each year we seek to highlight one of the younger אברכים whose success in establishing a Torah centered משפחה is coupled with service to our Communal needs. **Reb Shmuel Schnitzer** נ"י is well suited to be our Young Leadership Awardee. Reb Shmuel embodies in his life all that he learned and absorbed as a תלמיד in the Yeshiva. He is a member of קהילת אהבת ישראל צמח צדק; he was instrumental in the founding of a Night Kollel that carries the name of **הרב מנחם מנדל דן פרידמן** ז"ל and learns there every night. He cares very much and looks for those who need help in gaining פרנסה. Together with his אשת חיל **Mrs. Malka** שתחי', they are building a successful business and a beautiful משפחה that is infused with תורה and שמנים.

We thank all of our honorees for helping us highlight the unique מקום תורה that is נר ישראל. Allow us to focus on the accomplishments of 50 years on the Beren Campus. Enable us to pay tribute to those who are helping us strengthen our future and to invite all of you to join with us in our sacred charge להגדיל תורה ולהאדירה.

*R' Menachem is a true International leader and role model
when it comes to philanthropy and Hachzokas Torah*

The values of Tzedaka v'Chesed and responsibility for the K'lal are clearly what the family's passion is all about. Reuven and Yehuda Klein are tremendous Askanim and Baalei Chesed in their own right and we are privileged to have the whole Mishpacha deeply involved in our Kehilla and community

The amazing thing about the whole Klein Mishpacha is how they do all this quietly without fanfare and need for Kavod But as Chaza"l teach us, those who run away from Kavod the Kavod ultimately pursues them

It is therefore so appropriate that you are being honored at the 85th dinner of Yeshivas Ner Yisroel and it is time for us to give recognition and show our appreciation for everything that the Klein Mishpacha does!

May the RBS"O give the entire Klein Mishpacha good health, Nachas and Menuchas Ha'Nefesh and the ability to continue with their Askanus B'Tzorchei Tzibur for the benefit of our community and the whole K'lal Yisroel!

Forty-six years ago, we started our relationship as a Rebbe-Talmid.

*We learned פסח זמן and the summer זמן, and we were מסכת מכות - my first -
which is still the most חביב to me of ש"ס.*

*You introduced me to your חברים, and I became one of the חבורה, a very special חשובע group.
My years at Ner Yisroel as a בחור and in כולל are very dear to me, and I recall them with much
fondness. They formed the יסוד of my life, and you played such a vital role in that as rebbe,
mentor, guide and friend. For close to 4 decades, I am grateful to have had opportunities to
reciprocate in some small way by helping the Yeshiva and by facilitating and participating in
the simchos of your family.*

Our best wishes to you from Tova and myself

The name of the award with which you are bestowed, the Young Leadership Award, is both fitting and appropriate indeed. The "young" part may sail soon but the "leadership" component has been on point in the past, is accurate in the present, and undoubtedly foretells what the future has in store.

Shmuel, you are an עסקן par excellence of the highest order. Not only do you give of your time, resources, and effort בכל לבבך ובכל נפשך ובכל מאדך, but you do it as someone who himself is a תלמיד חכם and a למדן. You are a מתמיד that himself knows the sweetness of תורה and has tasted it for himself.

You have made לימוד התורה and שמירת המצוות your legacy. It is seen in your face, shown in your actions, and heard in your words. Together with your אשת חיל you have built a true בית נאמן בישראל, founded on יראת שמים, a fervent commitment to עמילות בתורה, and a deep love for all yidden.

We are proud and elated to call you a friend, mentor, teacher, and classmate. May you continue to live a life full of inspiring Ruchniyus and purposeful Gashmiyus together with your beautiful משפחה.

*You talk about Greatness.
Greatness is a path.
Greatness is a thousand little deeds.
And a million well-considered actions.*

*It's the detailed tapestry of a life born
of colorful stiches, which suddenly reveal
their image in vibrant splendor.*

*We have been privileged to work with the
Ner Yisroel Hanhalla, staff and alumni to
create the look and publicity for this dinner.*

Throughout we have witness Greatness.

*We appreciate the opportunity to work with
those who embody the spirit of the
Yeshiva's Mesora every day and in every way.*
