Subject: AHERA (Asbestos Hazard Emergency Response Act/1986) Management Plan Notification

This letter is to serve as formal notification that the Israel Henry Beren High School Division of the Ner Israel Rabbinical College, in accordance with 40CFR Part 763 has completed and submitted to the Maryland Department of Environment a comprehensive asbestos management plan.

Written notification, will be given in letter form or posted on our website to parents, teachers and maintenance personnel on an annual basis detailing planned or in progress inspections, re-inspections, response actions or periodic surveillance.

Semi-annual surveillance, response actions and remediation (April, 2025) were performed and implemented as mandated.

The management plan is available for review in the school's central administrative office. The plan may be reviewed during normal school hours. There will be a reasonable charge if a copy of the plan is requested.

The above actions have been mandated since 1988 for all high schools and are not indicative of any particular hazard at our institution.

Yours truly,

Avrom D. Friedman

Facilities Manager

Designated Person for Asbestos Management
