He was the ultimate Rebbi, transforming the hearts and minds of thousands of Talmidim with his unfaltering adherence to the Emes of Torah and the words of Chazal.

With his incisive analysis and penetrating insights, he developed generations of Talmidim who stand out in their understanding of Torah and appreciation for their responsibility for its transmission, creating Torah communities, Shuls, Kiruv organizations and schools.

He provided the inspiration and leadership in the founding of our Mechina High School and Kollel Avodas Levi.

With sincere thanks to the **Rosh Yeshivas, Rebbeim** and **Talmidim** of Yeshivas Ner Yisroel

who impacted my life in such a meaningful way.

I hope my grandson can get into the Mechina!

Rabbi Dave (Dovid IMO Rav Weinberg) and Julie Silverman

Four decades ago,

Rabbi Naftoli Neuberger zt"l

brought me to the Yeshiva. That single act of trust and kindness changed the course of my life.

Ner Yisroel is more than a Yeshiva–it is a home. Through my work as Food Service Director, I was privileged to contribute to the daily rhythm of the Beis Midrash. The meals prepared here help sustain the long hours of learning and the ongoing growth of Torah within these walls. To play even a small role in this Avodah has been a true blessing, and with Hashem's help, I hope to continue serving the Yeshiva for many years to come.

Beyond my own years here, the greatest gift has been what the Yeshiva has given to my family. Being surrounded by neighbors and friends who are deeply rooted in Torah, and living within the warmth and values of this community, has shaped not only my life, but the lives of my children and now my grandchildren as well. The Yeshiva's influence has quietly molded our home, our priorities, and our future generations in ways for which we are endlessly grateful.

Over the years, I have been privileged to enjoy the camaraderie of the Bochurim – both through Shmoozes in my office and Shabbos meals in my home. The closeness and bonds that grew from these moments are among the most treasured parts of my life. It has given me tremendous Nachas to watch these young men grow into dedicated B'nei Torah, Rabbanim, educators, and leaders of K'lal Yisroel.

I am especially grateful to

HaRav Sheftel Neuberger zt"l

HaRav Beryl Weisbord

HaRav Boruch Neuberger

and

Reb Jerry Kadden

for their guidance, professionalism, and friendship over the years. I also extend my heartfelt thanks to my colleagues and fellow staff members, whose teamwork and professionalism make each day meaningful. Above all, I am grateful to my family, whose constant support and encouragement made it possible for me to be part of this Avodah for so many years.

As Ner Yisroel marks ninety-two years of Torah and growth, my wife and I feel profoundly humbled and blessed to have built our lives and family within its orbit, and for the privilege of having spent forty of those years within its walls. May the Yeshiva continue to flourish, shaping lives, strengthening K'lal Yisroel through Torah, and inspiring generations for many years to come.

It is nearly impossible to encapsulate everything that

Mr. and Mrs. Goldberg

mean to us, the Yeshiva, the Baltimore community and כלל ישראל on one single page. However, we are going to try. Every generation has a handful of people whose reach goes far beyond the city and even country they live in. Mr. and Mrs. Goldberg are two of such people. There are tens if not hundreds of guys around the globe who have passed through the four walls of the Yeshiva and had their lives positively impacted in some shape or form by the Goldbergs. There are tons of girls who have passed through the walls of Bais Yaakov who can say the same. Whether it was a cheery "Good morning!" on the breakfast line in the dining room, a delicious and entertaining meal in their house on Shabbos, a ride to a wedding, a Shidduch idea, or getting some well needed advice, the Goldbergs have always been there for anyone and everyone. Their house is an open-door policy, their hearts even more so. They give and give and give. The craziest thing about it all is they never ask for anything in return and they do it without any fanfare. How they manage to balance everything they do for the Yeshiva, Bais Yaakov, their amazing work for Bikur Cholim, arranging Shidduchim all over the country and more, all while raising such an incredible family is something only the Goldbergs can do. Their children and grandchildren walk in their footsteps every day and live life by the three pillars that they made sure to instill in them and that the world stands on - תורה, עבודה, וגמילות חסדים. The Goldberg name is synonymous with giving, caring, loving, guiding, and let us not forget comedy. They are true pillars of the Yeshiva, Baltimore and K'lal Yisroel and most deserving of this honor.

On a more personal note, we cannot thank you enough for everything you have done for us over the years, especially during my time in Yeshiva. The meals, the rides (could've done without the speeding ticket ??), the deep and meaningful conversations, the laughter, and all the lessons that I learned in your home will never be forgotten. Your house was one I could always go to if I ever needed anything and I know that is still the case today. You're family to us and always will be.

May you continue to bless the world with all your kindness and love until 120!

Rochelle hosted Bochurim on Shabbos and she hosted Sheva Brachos for so many of the Bochurim when they got married! She likely made the Shidduchim for many of them! And it was not that Rochelle had so much free time on her hands. She was and is a beloved 8th grade English teacher at the Bais Yaakov Middle School. This is a power couple who made their significant mark on the Ner Yisroel community and so many of us who were parents and now are grandparents benefited and still benefit immeasurably from their unique and treasured Kochos!

Now, with another generation at Ner Yisroel, we continue to benefit from your kindness and dedication.

Your devotion to the K'lal extends far beyond Ner Yisroel, through all that you do for Bikur Cholim of Baltimore.

It is our heartfelt Tefillah that Hashem grant you the strength and ability to continue your remarkable work on behalf of the K'lal for many years to come.

A Tribute to Our Father

Mr. Bill Goldberg

As you are recognized for your incredible 40-year milestone at Ner Israel Rabbinical College, we, your children, want to take this moment to express our deepest love and Hakaras HaTov.

To the Yeshiva, you are the dedicated Food Service Director who has ensured that generations of Talmidim are cared for. But to us, you are the steady foundation of our family. Beyond your professional commitment, you have always been – and continue to be – our ultimate role model.

We have watched you balance your responsibilities with a rare kind of patience and grace. You are the one we turn to for a listening ear, the one who offers wise and thoughtful advice, and the one who always makes time for us, no matter how busy the day has been. Your life is a masterclass in what it means to be a person of integrity, kindness, and unwavering reliability.

Daddy, thank you for showing us through your actions how to be a devoted father and a true Eved Hashem. May you continue to see much Nachas from all of us.

With love and pride,

Zvi & Rifky, Dovid & Golda,
Yitzy & Malki, Shana & Baruch, Akiva & Shana

Mommy and Daddy

With time, age, (and maturity?) we have come to realize how Yeshivas Ner Yisroel has had a profound and meaningful impact on every aspect of your - and by extension - our lives. Your close relationships with the Rosh Yeshiva, Rav Ruderman zt"l, as well as with your Chevra in Yeshiva who have become today's renowned Marbitzei Torah and community leaders - all of whom adore and respect you - are woven into the fabric of our own life experience.
You may have many fans and admirers - but we will always remain your biggest ones!

NCSY Camp Sports and Camp Sports Kollel have a tremendous amount of Hakaras HaTov to

Bill Goldberg

for everything he has done to support our summer programs over the many, many summers we have been Zoche to be in Ner Yisroel. His help, flexibility, creativity, and willingness to step in whenever needed have made a real difference. Most importantly he understands that Gashmiyus enables spiritual growth. His focus on the the Gashmiyus enabled our Talmidim to grow.

The כתר שם טוב Award is a well deserved recognition of Bill's many years of service to the Yeshiva and to all the other programs that run in the Yeshiva beyond the day to day meals.

We wish Bill and his family continued Hatzlacha, good health, and much Nachas in the years ahead. As he is a cherished member of the "Camp Sports Family" we look forward to sharing much more Torah growth in the years to come.

We would be remiss not to mention the passing of

Rabbi Moshe Hauer zt"l

Recent Executive Vice President of the OU, and proud Ner Yisroel Talmid and Musmach. He believed in and invested in NCSY programs, and took immense pride in knowing Camp Sports was housed in a Makom Torah so close to his heart. We feel his absence deeply, and the void he left is still felt in both the Orthodox Union and the Yeshiva. He meant so much to so many, and both his impact and his absence continue to be felt every day.

A personal thank you note, in a public forum for an extraordinary person. I couldn't possibly put into words all that you have selflessly done for the Yeshiva; However, I will try - for what you have done for us personally.

Dear Bill,

Feeding us was only a small part of what you did for us.
Your home was our home,
Your office was our safe haven,
And your listening ear was always there when we needed it.
Aside from all the softness and caring you and your wife poured over us, the most important thing the two of you taught us was the importance of doing what's right.
You taught us strength. You taught us commitment.
You taught us devotion.
Even after we got married and have been out of Yeshiva for years, the true heartfelt connection is still there, with a warm loving greeting every time we meet.
You have raised the bar of the כתר שם טוב Award, I have no idea who the Yeshiva can pick next time.

Dear

Pesach

If anyone, you certainly exemplify the messages of Ner Israel. Torah is the center of life. You learn constantly, all facets,always adding different Dirshu programs. You have an "Achrayus" to the K'lal This you fulfill with Harbatzas Torah. How many Talmidim have you nurtured over the years with Torah and Mussar,constantly repeating "Don't waste your life" and serving as the best role model. In Ner Israel fashion your home is even open for "Oneg Shabbos" with the Rebbi. We pray for your continuing "Siyata Dishmaya". May you and Brochah, without whom your great accomplishments would not be possible, be "Zoche" to Doros Yeshorim, children and Talmidim.

Mazel tov to

Mr. and Mrs. Bill Goldberg

on receiving the Kesser Shem Tov Award!
It says in Pirkei Avos that, “there are three crowns: the Crown of Torah, the Crown of Kehuna, and the Crown of Malchus, but the Crown of a good name is above them all.”
Without a good name, a person has nothing and can’t acquire Torah, Kehuna or Malchus.
You know that that one of the most important lessons you could give people is that every person is important, every person can make a difference, and that begins by caring about your reputation and making sure you have a good name. You gave "your boys" the tools to make something of themselves and reach great heights so that they could have a good name. And once a person has a good name, they can then acquire the rest.
Therefore, it is befitting that you be honored with this Award which the two of you are most deserving.
We love you and we wish you a long life with Nachas from the beautiful family that you have built!

Long before you became pillars of the community, you got to practice and hone your skills - on us. Living and learning on Yeshiva Lane meant countless hours mastering patience, leadership, generosity, diplomacy, and the fine art of keeping things running smoothly, all while surrounded by children who were very committed to testing all of the above. Regularly!

We like to think that hands-on experience helped prepare you for... well, for pretty much everything that came next!

You weren't just leaders or supporters; you were constants - quietly shaping a community and generations within it, while making it feel warm, grounded, and real. Tonight's honor feels exactly right.

We're grateful for what you've built, proud of who you are, and more than a little amused by how well it all turned out (who would've thought??).

לכבוד ראש משפחתינו
אבינו מורינו הרב נתן נוסבאום וריעותו, שליט״א - חזק

To our dear old longtime friends:

Reb Dovid and Mrs. Silverman שליט"א

Your עבודת ד' is exemplary, your אהבת ישראל is legendary!
Our enduring family friendship is something
we greatly treasure!
May you continue this legacy for many years to come,
מתוך בריאות והרחבת הדעת!

Reb Bill and Mrs. Goldberg עמו"ש

We were there the day you moved in to
405 Yeshiva Lane. How fortunate the Yeshiva has
been to have you enriching all of our lives and the
lives of the entire Yeshiva! Continued
Hatzlacha and Gezunt!

Reb Pesach and Mrs. Skulnick שליט"א

This is a beautiful and befitting award for
you and your family! May you continue to go
מחיל לחיל!

Yaakov and Priva Schwartz

In Honor of

Rabbi and Mrs. Pesach & Brochah Skulnick

The personal Hakaras Hatov we feel towards you truly knows no bounds and the connection we have with you is one that we cherish.

You are remarkable role models, uplifting so many with your incredible warmth, wisdom and unwavering commitment to the K'lal.

May you be Zoche to continued Koach to carry on your Avodas Hakodesh!

With tremendous admiration,

Tzvi & Daniela Thaler

Rav Pesach Skulnick

our original 9th grade Rebbe, has blazed a trail of unwavering commitment to Torah and Yiras Shamayim for each of the more than 500 Talmidim who have entered the halls of Heichal HaTorah over the past 13 years.

A true Baki B'Shas, from Berachos to Nidah, Rav Pesach motivates each Bachur to believe in himself and to dream of towering She'ifos–both in who he can become as a Baal Midos and as a Talmid Chacham.

He inspires every Rebbe to continue his own learning and growth, and to be one hundred percent committed to each of his Talmidim. He has inspired a Rosh Yeshiva as well–to remain true to our shared mission and to continually strive for personal greatness on behalf of K'lal Yisroel and Hakadosh Baruch Hu.

With deep gratitude and admiration,

Rav Aryeh Stechler
and the entire Heichal HaTorah Family

Goldbergs

No words can adequately express our gratitude to the Goldbergs for all they have done for us and for countless others. Their guidance, words of encouragement, and even just their presence on Yeshiva Lane enhanced – and continue to enhance and enrich – the lives of so many.
Their living examples of Shalom Bayis, Hachnosas Orchim, Chinuch HaBonim, and, most importantly, Kibud Av v'Eim, are the greatest shiur one could ever attend!
Thank you from the bottom of our hearts. This Honor is truly well deserved, and may you continue to be blessed together with many, many, many more years of good health and Yiddishe Nachas (and Redding Shidduchim!).

Some institutions are made of steel and stone. Some institutions are made of leaders and lords. But the strongest institutions are those made by the people who selflessly serve and provide by deed and example.

Bill and Rochelle

are and have been the foundation stones of Ner Yisroel for many many years. Whether they were providing food to live on, a shoulder to cry on, or a Shidduch to rely on, the Goldbergs were the address to fill everyone's needs. They have touched and enhanced the lives of literally thousands of Bochurim. May Hashem grant them the strength, health, and prosperity to continue in their holy ways and may we all be Zoche to sit at the table with Moshiach after he consults with Bill about the menu.
