DINNER DEDICATION

We welcome you to the 86th Anniversary Dinner of **ישיבת נר ישראל**, dedicated to a theme that permeates the DNA of our Yeshiva and our Alumni, Leading By Example. The success of our Yeshiva is due to the outstanding personalities that represent this theme.

The founder of our Yeshiva, Moreinu V'Rabeinu Horav Yaakov Yitzchok Halevi Ruderman זצ"ל, who against all odds created our Yeshiva in 1933 in the Tiferes Yisroel Shul at a time when Torah was not popular and Orthodoxy was being challenged. He persevered with the help of his Rebbetzin Feige ע"ה. His dream was to create a Yeshiva in the legacy of Slabodka and he succeeded to develop such Talmidim, even in the pre-war era, who made an impact in America. The Yeshiva continued to grow and in Kislev of 1943 moved into its own building at 4411 Garrison Blvd.

He was assisted in this venture by a young German refugee Rabbi Herman Naftoli Neuberger זצ"ל, who joined the Yeshiva in 1938 and assumed a position as Executive Director in 1941. Together with the Rosh Hayeshiva, he became the architect and builder of the Yeshiva that we see today on a 90 acre campus that is unique and permeated with Gadlus B'Torah and Yiras Shomayim.

Rabbi Neuberger served the Yeshiva with incredible foresight and Mesiras Nefesh until his P'tirah in 2005. He was highly respected in both the Olam Hatorah and the general community for his leadership and integrity. He was a mentor to countless who sought his advice and guidance.

Rabbi Neuberger succeeded in bringing his mentor of Mirer Yeshiva in Poland to the Yeshiva. Moreinu Horav Dovid Kronglas זצ"ל served as Mashgiach and Magid Shiur from 1946 until his P'tirah in 1972. He set a standard for Yiras Shomayim, Tefilla, and learning that is still transmitted in the Yeshiva through his Talmidim.

DINNER DEDICATION

Moreinu V'Rabeinu Horav Shmuel Yaakov Weinberg זצ"ל was a force in the Yeshiva almost continuously from 1945. He was Rosh Hayeshiva for a number of years in Toronto. He returned to Baltimore in the early seventies and became Rosh Hayeshiva in 1987 until his P'tira in 1999. He was unique in his approach that taught his Talmidim how to think creatively in learning as well as to use that creativity in their life's work. He was the mentor to many who created the outstanding Kiruv Yeshivos in Israel as well as his Talmidim who are successful Roshei Yeshiva, Roshei Kollel, Magidei Shiur and Rabbonim to this very day. We are indeed honored to present to you this evening his Sefer M'oros HaRambam on Hilchos Talmud Torah that shows his legacy of creative understanding.

Moreinu Horav Yaakov Moshe Kulefsky זצ"ל came to the Yeshiva as a Magid Shiur in 1953. He brought the approach and Lomdus in learning that he absorbed from his Rebbeim in Torah Vodaas and Bais Medrash Elyon. He was widely recognized as one of the premier Magidei Shiur in the Olam Hatorah. His total absorption, Hasmoda and his magnificent presentation, are clearly demonstrated today in the teaching style of his Talmidim both in our Yeshiva and throughout the Olam Hatorah.

Our present Hanhalla is under the leadership of our Rosh Hayeshiva, Moreinu Horav Aharon Feldman שליט"א and the Menahel Ruchni Horav Beryl Weisbord שליט"א. Our Israel Henry Beren Mechina High School was developed under the leadership of its Menahel Rav Yosef Tandler זצ"ל whose legacy is carried forward by its present Menahel, Rav Simcha Cook שליט"א. We are blessed with a staff of Magidei Shiur throughout the Yeshiva who develop close relationships with their Talmidim that remain even after they have left the Yeshiva because they Lead by Example.

HONOREES

Dr. Yoel Jakobovits and his family were chosen as an Honored Yeshiva Lane Family. Dr Yoel was a Talmid of our Mechina when his father was the Rabbi of the Fifth Avenue Synagogue. When Lord Rav Immanuel Jakobovits became Chief Rabbi in England, Reb Yoel left and went to Medical School only returning to Baltimore for a Post Graduate Fellowship in Johns Hopkins. He came to visit Rabbi Neuberger who took advantage of this Hashgocho Protis and with his vision and foresight offered Dr. Yoel an apartment on Yeshiva Lane. The Yeshiva was growing and Rabbi Neuberger held that it would be prudent to have a resident doctor who would be available to the Bochorim in the evening and would also be available to the families on Yeshiva Lane for emergencies. Together with his Eishes Chayil, Mrs. Michelle ע"ה, they quickly became part and parcel of our community as being Bnei Torah and Bnei Aliya. Being part of the Yeshiva families, clearly imbued them with doing whatever was necessary professionally so they could remain on Yeshiva Lane. They fully appreciated its unique nature as an ideal place to raise a family of Bnei and Bnos Torah. Dr. Yoel, through his practice, and outside of his practice, is a resource to many thanks to his ability to define and explain medical issues. He has served for many years as the head of the Vaad Hachinuch in Bais Yaakov. Mrs. Michelle as Secretary in Bais Yaakov Middle School quietly played an important role in its smooth function. They succeeded magnificently as respected and admired members of our community. Their children grew up in a home of Torah and Chessed and were witness to the unbelievable acts of kindness that their parents were constantly doing. Their 10 children are all married to outstanding individuals. These families represent in their lives what is unique about our Yeshiva and Yeshiva Lane. Some are learning and teaching, others are working in business and one is pursuing medicine. All are well respected in the communities where they live for maintaining a strong Keshet to Torah and for carrying forward the Derech Hachayim that they absorbed in their home. The Jakobovits family beautifully represents the theme of **LEADING BY EXAMPLE**.

Rabbi Yosef Aryeh Schachter is a prime example of the high level learning that one can achieve in our Yeshiva. He comes from a family of Gedolei Torah. One grandfather was a Rosh Hayeshiva and a Talmid of Rav Shimon Shkop זצ"ל and assisted his Rebbe in writing the ספר שערי יוסף. His other grandfather was an outstanding Rav who was a recognized expert in Hilchos Gittin. His

HONOREES

father, Rav Herschel Schachter שליט"א, is a noted Rosh Hayeshiva and Posek to whom a broad spectrum of people look to for guidance. Rav Yosef Ayeh came to us as a tenth grader and spent the next 30 years productively as a member of our Yeshiva community. He gained enormously from numerous Rebbeim and in his own words recognized and appreciated the spectrum of Rebbeim that offer Bochorim many unique approaches to growth in learning. He is among the thousands who were particularly impacted on by Rav Kulefsky זצ"ל. Throughout his years in the Yeshiva and Kollel, Rav Yosef Aryeh continued growing. He gave many Shiurim, Chaburos and learned with special Chavrusos in the community. He was recognized by everyone as an outstanding Talmid Chochom. Last year he assumed the position of a Senior Rebbe in a growing Yeshiva in Minneapolis with great success. All his accomplishments and growth were beautifully encouraged by his Eishes Chayil Rebbetzin Chana Rochel שתי' who shares with him in this honor of receiving our Harbotzas Torah Award. Together they are raising a family of outstanding children from whom they continue to derive growing נחת. They are outstanding representatives of our theme of **LEADING BY EXAMPLE**.

Reb Aryeh Malitzky is an outstanding example of the Ben Torah Baal Habayis in whom our Yeshiva takes enormous pride. He came to the Yeshiva in 2001 and learned for the next 10 years in the Yeshiva and Kollel. His parents, Mr. and Mrs. David Malitzky ז"ל, learned to appreciate what our Yeshiva stands for. They take much justifiable pride in the accomplishments of all their children who were encouraged to grow in Yiddishkeit in their home. They all have established homes from which their parents derive much נחת. Reb Aryeh continues to learn seriously while having undertaken an important role as President of Kehilas Derech Chaim under the leadership of Horav Pinchas Gross שליט"א. Together with his Eishes Chayil Mrs. Shira Leah שתי', they have built a beautiful Torah centered home. Mrs. Malitzky comes from a family that has a heritage of communal leadership. She is the daughter of Mrs. Judith Bregin-Gross שתי', and granddaughter of Mrs. Hannah Storch שתי'. Her home, together with her husband the unforgettable Mr. Leo Storch ז"ל, was the address that hosted the Gedolim of the last generation. The Malitzkys recently celebrated the Bar Mitzva of their oldest son. They are widely respected in the community and are truly counted among those who are **LEADING BY EXAMPLE**.

Growing up on Yeshiva Lane

JAKOBOVITS

was a second home for me

A place of joy de vivre, where everyone wanted to be

Joined in every endeavor, partners in their mission

Be it in K'lal work or their thought out Chinuch transmission

Acceptance, love and warmth, Mrs. Jakobovits's laugh conveyed

Everyone thought they were the favorite, from the Ahava she displayed

Malchus - a regality, made her a fitting "Lady J"

Efficiently running BY and Dr's office, in her understated way

A gastroenterologist? Yes, that may be true

But for every Lev Nishbar, heart specialists too!

The escapades in 403,11 and 37, are memories we'll treasure

May your family be blessed with Simchas and Nachas without measure

ELI AND SHIFRA GLUCK

In Honor of our dear friend
YOEL JAKOBOVITS

Dear Yoel,

As your friends, we know how difficult it is for you to accept such a public recognition, but we must say, as your friends, that you are so deserving of this and much much more.

We are your friends, we enjoy coffee together, Shabbos meals together, laughter, conversation, happy times, and sad times together. But YOU, our dear friend, contribute so much much more to this friendship. And for that we are both eternally grateful and probably should ask for forgiveness.

You are available to us 24 hours a day, 7 days a week. For what? For everything and anything. Serious and maybe not so serious: Stitches, Ear Infections, Rashes, Heartburn, High Fever, Bad cough, Aches and pains, etc.

Why call 911 or Hatzala in the middle of the night when you are right next door!

And of course, this has all been extended to our grandparents, parents, children, and now the grandchildren.

And who is the first one in our hospital room whether it's a new baby, cellulitis, or heart attack- YOU! And who can we call with all our questions, concerns, and fear-YOU!

And who comes running with a calm demeanor, helping hand, and a smile-YOU!

And who is the first one to make the house call-YOU!

Friendships are supposed to be equal. There is no equal here!

We honor you. The Yeshiva honors you. We treasure you.

May Hashem bless you and your family with good health to continue your remarkable selfless work for the k'lal. And may our dear, Michelle a'h, who was truly your partner in all of this and more, be a maletz yosher for the k'lal.

With love and deep admiration,
BILL AND ROCHELLE GOLDBERG

In Honor of

**NECHEMIAH, MOSHE DOVID, NESANEL, PENINA, TZIPORA
ELIYOHU, YIRMI, SIMCHA, SHIMON, AND CHAIM**

From the moment that we arrived on Yeshiva Lane, all of you became a part of our extended family. We were there at your births, Brisses, Kiddishes, Bar and Bas Mitzvos. Our families were constantly intertwined: Yirmi is Dovid's friend, Shimon is Yitzy's friend, Chaim is Akiva's friend, and Penina, Tzipora, and Simcha were our most trusted and beloved babysitters. We went through all your shidduchim together, went to every single wedding regardless of which state it was in

WE EVEN WENT TWICE TO CLEVELAND!

With that said, your amazing spouses: Malka, Tzipi, Matti, Yair, Bentzy, Dena, Bracha, Yaakov, Nechama, and Malka fit right in and we now call you all our family.

Each one of you takes magnificent care of your dear father, our dear friend, Yoel, and we know how proud your mother, our dear friend Michelle a"h is of all of you. Your parents raised you with so much love and taught you respect and care for others through their every day example.

We are so proud to see who you have become and so proud to see you honored tonight.

A piece of advice for The Dr.

" Just like when we were kids you're better off not knowing what we are up to"

No matter how many times the mirror on Opa and Oma's door broke

or how many times files were "misplaced" in your office

Or if Nechemia's Succah somehow got broken again, or if you and Mrs. J got a phone call from "407" ... (these are the examples I am willing to write about)

Your reaction was "Boys will be Boys"

So tonight look around at your beautiful Mishpacha and don't ask too many questions just enjoy the Nachas and really all we are all trying to say is....

Thank you Dr. & Mrs. J
