REBBETZIN RUDERMAN ע"ה

A daughter of G'dolim, a wife of a Godol
she labored with her husband
our Rebbe, Rabbi Ruderman זצ"ל
to build the Yeshiva, a palace of Torah,
to ensure that G'dolim be developed
on the American continent.

May her wonderful children and family
be granted the opportunity and means
to continue the sacred work
of projecting the radiance of Torah
and bringing its blessing
to the Jewish homes of today

For over 50 years he was a force
that made Ner Yisroel unique.

He was the ultimate Rebbi, transforming the hearts and minds of thousands of Talmidim with his unfaltering adherence to the Emes of Torah and the words of Chazal.

With his incisive analysis and penetrating insights, he developed generations of Talmidim who stand out in their understanding of Torah and appreciation for their responsibility for its transmission, creating Torah communities, Shuls, Kiruv organizations and schools.

He provided the inspiration and leadership in the founding of our Mechina High School and Kolloel Avodas Levi.

Although it has been almost 25 years since I was a Bochor in Yeshiva, the impact that Rebbi had and continues to have on my life is so important and valuable. Thankfully, my relationship has only grown stronger and Rebbi personifies the ultimate Rebbi/Talmid relationship and shows his care and concern for me as a Talmid just like a father does for his son. For everything Rebbi has done I humbly say Thank You. Together, with my family we are forever grateful.

We were **זוכה** to be among Rav Calman's talmidim over 45 years ago. But of course, we are still, and always will be, his talmidim. Rav Calman's love of Torah, the depth, understanding and knowledge he passed on to and imbued us with, has stayed with us all these years. To say Rav Calman guided and influenced thousands of talmidim does not tell the whole story. His honesty, integrity, sense of humor, his **דרך הישר** not only touched, impacted, and influenced us, but also our wives, children, and children's children. We are forever indebted to him for the example he set for us all, **לדור דורים**.

RAV YISSOCHER FRAND שליט"א

for the years of attending his **שיעור** and molding myself and hundreds of his **תלמידים** into well-rounded, true **בני תורה** helping apply **הלכה** towards the every-day scenarios.

May the **רבש"ע** provide you with much **gezunt** and **הצלחה** with yourself and with all your **תלמידים** into the next decade in **ישיבה** and beyond.

My deepest appreciation goes out to

You have been always warm in allowing me to return to "my room" whenever needed.

celebrating 90 Years of Greatness
I would like to take this opportunity
to express **הכרת הטוב** to my Rebbe,
מורי ורבי הרב יששכר פראנד שליט"א

for all that he has done for me –
for literally changing my life.

רש"י in **פרשת פנחס** clarifies why every family in
כלל ישראל had the letters **ה** & **י** added to their
names. He writes that those letters represent
the name of **ה** and testify that each family are
true descendants of the **אבות הקדושים**, that they
were His without question – That they were
special.

There are those of us who go through life with
another name stamped on us. We are those
fortunate enough to bear the name of having
been a “Rabbi Frand Guy.” Make no mistake
that this is a label, and it marks you. For it means
that you are a Talmid of Moreinu V’Rabbeinu
HaRav Yissocher Frand. We are his – And that is
something special.

Your impact extends far beyond the classroom, shaping us into individuals equipped to navigate life's challenges with resilience and grace.

I am forever grateful for the privilege of learning under your guidance. May your teachings continue to resonate within us, guiding our steps and illuminating our paths ahead.

In Memory of My Special Rebbe

When I came to the Yeshiva from Memphis, I was a little lost trying to figure out how a Yeshiva works.

REB CALMAN זצ"ל had an amazing amount of patience and love for me and helped me grow in every way possible to get acclimated. I loved his Shiurim and fiery Vaadim. There was no one quite like him. When my brother got married, he allowed me to invite 2 people to the Chasunah. Reb Calman took one of my special spots because he was that important to me. I always found it so cool that my Rebbe and I had daughters on the same day who would end up being classmates all through Bais Yaakov.

Rebbe is very missed.
