### **DINNER DEDICATION**

Welcome to the Yeshiva's 89th Annual Dinner. We thank you for your support and Chizuk as we continue nurturing the next generation of Ner Yisroel Talmidim. Under the leadership of the Rosh HaYeshiva Harav Aharon Feldman Shlit"a and the Mashgiach Harav Beryl Weisbord Shlit"a, the Ruach in the Yeshiva is B"H strong and vibrant. Under the skilled leadership of the Menahel Harav Simcha Cook Shlit"a and the Mashgiach Harav Yosef Neuberger Shlit"a the Israel Henry Beren Mechina High School continues to attract wonderful Bochurim from across the country and beyond. One can walk into our Botei Medrashim and witness Bochurim growing and transforming into Choshuveh Bnei Torah sitting and learning with a Geshmak. Kollel Avodas Levi continues to be the guiding light for our Talmidim, a living example of how years of serious Ameilus BaTorah changes one's entire life and persona into one of a true Talmid Chochom.

We are indebted to our Dinner Chairmen, R' Shlomie Grunhut and R' Naftali Langer for their leadership during this campaign. We are thankful to R' David Akhamzadeh (Los Angeles) and R Eli Nourmand (Baltimore) for their trailblazing efforts in their respective communities.

This year the Yeshiva chose to highlight the special and unique relationship Ner Yisroel has with the Persian communities here in America. From Baltimore to Great Neck to Los Angeles, the vibrancy of Torah and Yahadus in these communities is due in large part to the Yeshiva and Our Talmidim who serve with distinction as Rabbonim, Roshei Kollel and Mechanchim. Our Talmidim in these communities who choose to be Baalei Parnassah, take the Achrayous of supporting their Mosodos very seriously. Many of us have had the Zechus to have Chavrusos and Chaveirim who came to Yeshiva as refugees from a different land and with a different culture. We watched with awe and respect as they transformed themselves into Bnei Torah in our Yeshiva. Their continued dedication has fueled the dynamic growth of these Kehilos.

### **DINNER DEDICATION**

The Yeshiva is recognizing the Hekmatjah/Braum family for their Leadership Gift to the Yeshiva. This gift is in memory of their father Mr. Michael Hekmatjah/ Braum. Mr. Braum was a selfless and fearless leader in pioneering the rebirth of the Persian Kehillah in Los Angeles. In this capacity he developed a close relationship with the Rosh Hayeshiva Harav Weinberg Zt"l and Harav Naftoli Neuberger Zt"l. He was very proud of his children who learned in Yeshivas Ner Yisroel. The family is continuing his bold legacy by establishing a Memorial in their father's memory in the Yeshiva, and using those funds for a successful match Campaign within the Los Angeles Persian Community. We honor the Hekmatjah/ Braum family with the community Leadership award.

Harav Dovid Zargari came to Yeshiva in 1975, before the revolution. He developed a very close relationship with the Roshei HaYeshiva and Rabbi Neuberger. As Persian Talmidim started coming to Ner Yisroel, R' Dovid became their leader here in Yeshiva. Those leadership skills that were developed here in Ner Yisroel followed Rabbi Zargari to Los Angeles where he became the trailblazer of the Persian Rabbonim. Rabbi Zargari represents all of the Persian Rabbonim in accepting the Rabbinic Leadership award.

We wish to express our deep הכרת הטוב to our Alumni Whose voluntary dedication and commitment made this dinner a success

### HARAV DAVID ZARGARI שליט"א

for your dedication and love to our community
despite all odds and much adversity. You have changed the tapestry of
the Persian community for the last 36 years and created
everlasting generations of committed Jews who love Torah.
To the **Braum family** for all that their father **Mr. Hekmatjah** did in building
physical structures for numerous schools and shuls in Los Angeles.
His contributions were — and continue to be —
a feather in his cap and a tough act to follow for his wonderful sons.
May Hashem help us to continue growing together with much Shalom and Ahava.

HENRY & LISA MANOUCHERI, BEVERLY HILLS, CA.

I wanted to thank Hashem for this awesome opportunity to give back to the Yeshiva that gave its heart and soul to our Persian community.

My father, ז״ל, always told me, "anyone that does not have הכרת הטוב is not a mentch".

My father, ז"ל was like a lion. He was selfless and fearless to defend the honor of the Torah and to build up Torah in Los Angeles. This is a perfect opportunity for him to be honored in such an arena

I also wish to mention, אשריעו מה טוב חלקיעו that I was able to learn from such unique Rebbeim as The Rosh Yeshiva, Harav Weinberg, זצ״ל.

> My Rebbe, that really loved me and was so kind to me as a son, HaRav Yaakov Moshe Kulefsky, זצ"ל and the entire Hanhala.

I especially want to thank Rav Tzvi Berkowitz, שליט״א for always being the most wonderful source of דעת תורה and we hope that the Yeshiva will always go מחיל אל חיל of all!

The work that the Yeshiva has done for the Iranian community is legendary

Saving communities from across the world, giving them a place to not only live but learn, grow and feel like they belonged in the houses of the Rebbeim and on the Yeshiva campus.

Then sending the leaders out to help save and grow multiple communities across the country in order to make sure the sacrifices that these families made, risking their lives fleeing an oppressive regime; not go to waste. My father Z'tl. was one of the first members of Rabbi Shaliehsaboo's shul which made my family Shomer Shabbat, Torah and Mitzvot, which eventually led to me being able to learn in Yeshiva and come full circle and teach in the Shul

Thank you so much for everything you have done. I am one of of countless lives saved by the Yeshiva because of what they have done for the Persian community

YAAKOV AND RIVKI LICHTER

Greetings on the occasion of the 89th Annual Dinner We want to express our continued Hakaras Hatov to

#### YESHIVAS NER YISROEL

for the many years that our family has benefitted from every aspect of Torah and Hadrocha.

We wish continued Brocha and Hatzlocha to

THE ROSH HA YESHIVA HARAV AHARON FELDMAN, SHLITA THE MASHGIACH RUCHANI HARAV BERYL WEISBORD, SHLITA THE MENAHEL HARAV BORUCH HALEVI NEUBERGER, SH'LITA THE HANHALLAS HA YESHIVA, AND THE ADMINISTRATIVE STAFF AND THEIR FAMILIES

In Tribute to the special group from Ner Israel who are alumni, staff members, and others, who have brought a special dimension that has enhanced the entire yeshiva community and beyond. Therefore it's a zechus to be able to be Celebrating the Torah, Chesed, and Greatness of the Persian Community and their many contributions to the increase in Yiddishkeit and Ehrlichkeit, and all aspects of Jewish life

On a personal level, having had many years of relationships with many members of this special community, it's almost impossible to identify by name all of those from whom gained so much. Any attempt to single out indiduals would result in the possible omission of some special people. During our many years as part of the Ner Israel community we have been fortunate to interact with Persian bocherim, yungeleit, m'chanchim, rabbeim, business people, and others. B"H, we have gained so much from these wonderful relationships that have inspired us and raised our own level of Avodas Hashem. Although you have not been named, you know who are and hopefully can feel our continued Hakoras HaTov for all that we have gained from our relationships. Although, living now in Bnei Brak, we may be at a physical distance from many of you, we look forward to being togther again very soon with the coming of Moshiach Tzidkeinu, B'Mhara B'Yamanu. All the best for much Brocha, Hatzlocha, and Good Health.
